APPOINTMENT AND REVOCATION OF PROXIES

In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the transfer agent and registrar of the Company, Computershare Trust Company of Canada, (the "**Transfer Agent**") not later than 10:00 a.m. (Eastern Standard time) on Wednesday, April 8, 2026, or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	Computershare Trust Company of Canada 8th Floor, 100 University Avenue Toronto, Ontario M5J 2Y1

By Internet:	www.investorvote.com You will need to provide your 15-digit control number (located on the form of proxy accompanying this Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the provisions of the *Business Corporations Act* (British Columbia), to (i) the office of the Company, located at 1055 West Hasting Street, Suite 300, Vancouver, British Columbia, V6E 2E9, at any time prior to 5:00 p.m. (Eastern Standard time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from

voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "VIF"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominee's name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF DAVIDSON & COMPANY LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Davidson & Company LLP, Chartered Professional Accountants, were first appointed as the auditors of the Company on March 26, 2014.

4. APPROVAL AND CONFIRMATION OF OMNIBUS LONG TERM INCENTIVE PLAN

The Company adopted an omnibus long-term incentive plan (the "LTIP") to allow for a variety of equity-based awards that provide different types of incentives to be granted to certain executive officers, employees and consultants (in the case of options ("Options"), performance share units ("PSUs") and restricted share units ("RSUs")). Options, PSUs and RSUs are collectively referred to herein as "Awards". Each Award will represent the right to receive Common Shares, or in the case of PSUs and RSUs, Common Shares or cash, in accordance with the terms of the LTIP. The LTIP was last approved by the shareholders at the annual general and special meeting of shareholders held on April 4, 2025.

The maximum number of Common Shares reserved for issuance pursuant to the exercise of Options in the aggregate, under the Option portion of the LTIP will be 10% of the aggregate number of Common Shares issued and outstanding from time to time. In addition, the aggregate number of Options, PSUs and RSUs issuable to all participants must not exceed 10%. For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP.

The principal features of the LTIP are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

The LTIP is a "rolling" and "fixed" equity compensation plan and, under Policy 4.4 of the TSX Venture Exchange ("TSXV"), a listed company on the TSXV is required to obtain the approval of its shareholders for a "rolling" and

"fixed" equity compensation plan at each annual meeting of shareholders. Accordingly, shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT:

- the omnibus long-term incentive plan of the Company as described in the management information circular dated February 20, 2026, be and it is hereby approved, confirmed and ratified."

In accordance with the policies of the TSXV, the LTIP must be approved by the majority of votes cast at the Meeting on the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL AND CONFIRMATION OF THE LTIP UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

Stock Options and Other Compensation Securities

The Company did not grant or issue any compensation securities to Named Executive Officers or directors of the Company during the most recently completed financial year of the Company for services provided or to be provided, directly or indirectly, to the Company or any of its subsidiaries.

No compensation securities were exercised by any Named Executive Officer or any director of the Company during the most recently completed financial year of the Company.

Stock Option Plan and other Incentive Plans

The Company adopted the LTIP to allow for a variety of equity-based awards that provide different types of incentives to be granted to certain executive officers, employees and consultants (in the case of Options), PSUs and RSUs. Each Award will represent the right to receive Common Shares, or in the case of PSUs and RSUs, Common Shares or cash, in accordance with the terms of the LTIP. The LTIP was last approved by the shareholders at the annual general and special meeting of shareholders held on April 4, 2025.

Under the terms of the LTIP, the Board, or if authorized by the Board, the Compensation Committee, may grant Awards to eligible participants, as applicable. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such participant. The interest of any participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by will or the laws of descent and distribution.

The LTIP will provide those appropriate adjustments, if any, will be made by the Board in connection with a reclassification, reorganization or other change of the Company's Common Shares, share split or consolidation, distribution, merger or amalgamation, in the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the LTIP.

The maximum number of Common Shares reserved for issuance pursuant to the exercise of Options in the aggregate, under the Option portion of the LTIP will be 10% of the aggregate number of Common Shares issued and outstanding from time to time, which represents 9,988,616 Common Shares as of the date of this Management Information Circular. As of the date of this Management Information Circular, a total of 6,010,000 Options are issued and outstanding under the LTIP representing approximately 6.01% of the issued and outstanding Common Shares. In addition, the aggregate number of Stock options, PSUs and RSUs issuable to all Participants must not exceed 10%.

For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP.

The maximum number of Common Shares that may be: (i) issued to insiders of the Company within any one-year period; or (ii) issuable to insiders of the Company at any time, in each case, under the LTIP alone, or when combined with all of the Company's other security-based compensation arrangements, cannot exceed 10% of the aggregate number of Common Shares issued and outstanding from time to time determined on a non-diluted basis.

An Option shall be exercisable during a period established by the Board which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the Option or such shorter period as the Board may determine. As long as the Common Shares are traded on the TSXV, the minimum exercise price of an Option will be determined based on the closing price of the Common Shares on the TSXV on the last trading day before the date such Option is granted. The LTIP provides that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a black-out period. In such cases, the extended exercise

period shall terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the LTIP has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker-assisted "cashless exercise" or a "net exercise" subject to the procedures set out in the LTIP, including the consent of the Board, where required.

The following table describes the impact of certain events upon the rights of holders of Options under the LTIP, including termination for cause, resignation, retirement, termination other than for cause, and death or long-term disability, subject to the terms of a participant's employment agreement, grant agreement and the change of control provisions described below:

Event Provisions	Provisions
Termination for cause	Immediate forfeiture of all vested and unvested Awards.
Resignation	The earlier of the original expiry date and 90 days after resignation to exercise vested Awards or such longer period as the Board may determine in its sole discretion.
Retirement	All unvested Awards will vest in accordance with their vesting schedules, and all vested Awards held may be exercised until the earlier of the expiry date of such Awards or one (1) year following the retirement date.
Termination or cessation	All unvested Awards may vest subject to pro ration over the applicable vesting or performance period and shall expire on the earliest of ninety (90) days after the effective date of the termination date, or the expiry date of such Awards.
Death	All unvested Awards will immediately vest and expire 180 days after the date of death.
Change of Control	If a participant is terminated without "cause" or resigns for good reason during the 12-month period following a Change of Control, or after the Company has signed a written agreement to effect a change of control but before the change of control is completed, then any unvested Awards will immediately vest and may be exercised prior to the earlier of thirty (30) days of such date or the expiry date of such Awards.

The terms and conditions of grants of RSUs and PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be set out in the participant's grant agreement. The impact of certain events upon the rights of holders of these types of Awards, including termination for cause, resignation, retirement, termination other than for cause and death or long-term disability, will be set out in the participant's grant agreement.

In connection with a change of control of the Company, the Board will take such steps as are reasonably necessary or desirable to cause the conversion, exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, as applicable. If the surviving successor or acquiring entity does not assume the outstanding Awards, or if the Board otherwise determines in its discretion, the Company shall give written notice to all participants advising that the LTIP shall be terminated effective immediately prior to the change of control and all Awards, as applicable, shall be deemed to be vested and, unless otherwise exercised, settled, forfeited or cancelled prior to the termination of the LTIP, shall expire or, with respect to the RSUs and PSUs be settled, immediately prior to the termination of the LTIP. In the event of a change of control, the Board has the power to: (i) make such other changes to the terms of the Awards as it considers fair and appropriate in the

circumstances, provided such changes are not adverse to the participants; (ii) otherwise modify the terms of the Awards to assist the participants to tender into a takeover bid or other arrangement leading to a change of control, and thereafter; and (iii) terminate, conditionally or otherwise, the Awards not exercised or settled, as applicable, following successful completion of such change of control.

If the change of control is not completed within the time specified therein (as the same may be extended), the Awards which vest shall be returned by the Company to the participant and, if exercised or settled, as applicable, the Common Shares issued on such exercise or settlement shall be reinstated as authorized but unissued Common Shares and the original terms applicable to such Awards shall be reinstated.

The Board may, in its sole discretion, suspend or terminate the LTIP at any time, or from time to time, amend, revise or discontinue the terms and conditions of the LTIP or of any securities granted under the LTIP and any grant agreement relating thereto, subject to any required regulatory and TSXV approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP or as required by applicable laws.

The Board may amend the LTIP or any securities granted under the LTIP at any time without the consent of a participant provided that such amendment shall: (i) not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP; (ii) be in compliance with applicable laws and subject to any regulatory approvals including, where required, the approval of the TSXV; and (iii) be subject to shareholder approval, where required by law, the requirements of the TSXV or the LTIP, provided however that shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:

- amendments of a general "housekeeping" or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in the LTIP;
- changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award (other than in respect of any Options held by persons retained to provide Investor Relations Activities for which prior approval of the TSXV shall be required at all times when the Company is listed on the TSXV);
- any amendment regarding the administration of the LTIP;
- any amendment necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the LTIP or the shareholders of the Company (provided, however, that the TSXV shall have the overriding right in such circumstances to require shareholder of any such amendments); and
- any other amendment that does not require shareholder approval under the LTIP.

The foregoing information is intended to be a brief description of the LTIP and is qualified in its entirety by the full text of the LTIP. The Company has no equity compensation plans other than the LTIP.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the LTIP. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long-term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board approves, or recommends for approval, all compensation to be awarded to the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the LTIP. The Board may direct management to gather information on its behalf and provide initial analysis and commentary. The Board reviews this material along with other information received from any external advisors which may be retained in its deliberations before considering or making decisions. The Board has full discretion to adopt or alter management recommendations. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers of the Company is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day-to-day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the LTIP.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Company.

Termination and Change of Control Benefits

The Company does not have in place any pension or retirement plan. The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The Company has not provided any compensation to such persons as a result of a change of control of the Company, its subsidiaries or affiliates.

Reliance on Exemptions in NI 52-110

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a circumstance arises that affects the business or operations of the Company and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Company);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if an Audit Committee member becomes a control person of the Company or of an affiliate of the Company for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (Exemptions) of NI 52-110.

The Company is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Company is relying upon the exemption in section 6.1 of NI 52-110 providing that the Company is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended May 31, 2025 and May 31, 2024:

	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended May 31, 2025	37,939	Nil	20,560	58,499

REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of four (4) directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director

is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, all of the proposed director nominees are considered not to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

The following table sets forth the directors and proposed directors of the Company who currently hold directorships with other reporting issuers:

The Board has constituted two committees, the Audit Committee and the Compensation Committee. The following directors are the current members of the following committees:

- *Audit Committee* – Shawn Westcott, Jonathan Bey and Garry Clark.
- *Compensation Committee* – Shawn Westcott, Jonathan Bey and Darren Smith.

Members of these committees are appointed annually to hold office until the next annual meeting of the shareholders of the Company or until their successors are appointed.

Audit Committee

The Audit Committee is composed of three (3) directors as named above, two of whom are considered to be "independent". The operation of the Audit Committee is described in the section entitled "*Audit Committee Information Required in The Information Circular of a Venture Issuer*" in this Circular.

Compensation Committee

The Compensation Committee is composed of three (3) directors, two of whom are considered to be "independent". The Compensation Committee is responsible for: (i) reviewing and approving corporate goals and objectives relevant to the compensation of the Named Executive Officers of the Company, evaluating the performance of the Named Executive Officers of the Company in light of those corporate goals and objectives, and determining (or making recommendations to the Board with respect to the compensation level of the Named Executive Officers of the Company based on this evaluation); (ii) making recommendations to the Board with respect to directors' compensation and incentive-compensation plans; and, (iii) reviewing the executive compensation disclosure before the Company publicly discloses this information.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business. New Board members are provided with information regarding the functioning of the Board and its committees and full access to management. APPENDIX A

OPHIR METALS CORP.

CHARTER OF THE AUDIT COMMITTEE

Mandate

The primary function of the audit committee (the "**Committee**") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements.
- Review and appraise the performance of the Company's external auditors.
- Provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of three Directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Charter of the Committee, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the chief financial officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

- (e) Recommend to the Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval.

- (i) Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided;
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services; and
 - (iii) such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval. Such authority may be delegated by the Committee to one or more independent members of the Committee.
